## I Will Miss You!

I am about to retire on December 16! This is my final issue as Editor of MyJC Browse. It is very difficult to leave all you wonderful library lovers and staff, but that time has come. An experienced newcomer, Julie Lingerfelt, will work in my newly renamed position, Head of Adult Services. She will be a plus here at the library. She is the kind of person who will do a great job for all of you.

It has been great learning so much here the past 15 years, along with you, and I hope to carry it into a new ministry of caring at our church. More time with my family will be wonderful.

So many of you support the library and its programs, and love the books, music and movies. I plan to do that, too! My hopes for you are for your best and for God's blessings on this place and on each of you.

*Becky Brewer*

The Seymour Library degus, two small, furry pets (related to the chinchilla) have new names. "Beatrice" & "Bernard" were chosen from the list of names suggested by library customers. Visit them this winter in the Kidz Korner!

## Enhanced search

The new website offers auto-complete search functionality, which allows users to type in the name of the book or author they're looking for, and search results will begin to display to connect them with that title or author quickly and accurately.

Relax this December at the Jackson County Public Library. Beautiful decorations and displays abound here! Enjoy your work or leisure books, movies, music and the holiday atmosphere at YOUR library.
