New Fun Light Table & Discovery Stations in Kidz at Seymour (Shhh - It's Educational!)

The purpose of the table is for discovery, purposeful play & opportunities for kids to socialize--interacting with others. "This is early literacy at its best."- Lola Snyder, Head of Youth Services

There will be rotating stations and different discovery packets. The library hopes to purchase more in the future. A kitchen set will be available all the time.

Congratulations to Lola on writing a successful grant to the Community Foundation of Jackson County for \$2,238 to purchase

materials for additional discovery stations for Seymour and for the branches!!!! This money comes from the SIHO endowment. Thank you, SIHO and the Community Foundation of Jackson County!
