The Jackson County Public Library's **Teen Advisory Group (TAG)** is for Jackson County residents in grades 6-12. Volunteer members who join the group will meet throughout the year to help the library determine current teen trends and interests. Some activities may include recommending books and movies for the library to purchase, maintaining bulletin boards and displays in the Teen Scene area of the Seymour Library, developing teen programs, and much more.

### Why You Should Join TAG:

\*This volunteer service can be used to boost college applications and resumes.

\*It gives you a chance to make a difference in what you see at your library.
