EMPLOYEE ACKNOWLEDGMENT FORM

The Jackson County Public Library personnel policy describes important information about JCPL, and I understand that I should consult Human Resources regarding any questions not answered in the policy. I have entered into my employment relationship with JCPL voluntarily and acknowledge that there is no specific length of employment. Accordingly, either JCPL or I can terminate the relationship at will, with or without cause, at any time, so long as there is no violation of applicable federal or state law.

Since the information, policies, and benefits described here are necessarily subject to change, I acknowledge that revisions to the policy may occur, except to JCPL's policy of employment-at-will. All such changes will be communicated through official notices, and I understand that revised information may supersede, modify, or eliminate existing policies. Only the Library Board of Trustees of JCPL has the ability to adopt any revisions to the policies, and such revisions may be made without notice.

Furthermore, I acknowledge that this policy is neither a contract of employment nor a legal document. I have received the policy, and I understand that it is my responsibility to read and comply with the policy and any revisions made to it.

EMPLOYEE'S SIGNATURE

DATE

EMPLOYEE'S NAME (PRINTED)

I. Introduction

- A. This policy manual contains the current **personnel policy** of the Jackson County Public Library and supersedes any prior handbook or manual. In the case of a policy issue not covered by this manual or question of interpretation, Human Resources and the Library Director shall make a working determination and recommend a policy update or change to the Board of Trustees.
- B. Policy may be reviewed or changed by the Board of Trustees at any time. Revised policy pages will be updated online and supplied to all current staff and board members and shall be clearly labeled as to manual pages being replaced.
- C. All staff members shall be supplied a copy of this manual and should sign two copies of the Employment Acknowledgment Form. A copy of the form will be kept in their personnel file.

II. Employee Professionalism

The library is a public institution supported by taxation, and therefore, belongs to the people. Each customer, whatever their attributes, should be given prompt, efficient, impartial, and courteous service. Staff members should bear in mind that they are immediate representatives of the library in all instances, including social media, and do much to form public opinion regarding the institution.

As an employee of the Jackson County Public Library, I will:

- protect each user's right to privacy with respect to information sought or received, and materials consulted, borrowed, or acquired.
- distinguish clearly, in my actions and statements, differences between my personal philosophy and attitudes and those of the library.
- not speak or act in ways that are detrimental to my fellow staff, the Board, or the library.
- always be alert and approachable to customers seeking assistance.
- show children the same courtesy as adults.
- report suspected abuse and/or neglect to the Library Director and to the proper authorities as outlined in Indiana Code 31-33-5.

III. Definitions

A. Full-time Employees

"Full-time" is defined as working a regularly scheduled 40-hour week.

B. Working Day

"Working day" or "day" as used in this manual is the average working day on a pro-rated basis. For full-time employees, the working day is considered eight hours.

C. Pro-rated Day

Part-time employees receive sick, vacation, and personal leave days for which they are eligible on a pro-rated basis. A "pro-rated day" in hours is determined for each part-time employee by dividing their normally scheduled weekly hours by 5.

D. Human Resources

The Human Resources staff is the Library Administrator, Administrative Assistant, and Administrative Clerk.

E. Exempt vs Non-Exempt Employees

Most employees are non-exempt, except for the Director and Administrator who are Salaried Exempt.

IV. Recruitment and Selection of Staff

- A. The Library Director is hired by and is responsible to the Board of Trustees. The Library Director recommends the employment of all staff members for approval by the library Board of Trustees. No persons related as father, mother, brother, sister, uncle, aunt, husband, wife, son, daughter, son-in-law, daughter-in-law, niece, or nephew may be placed in a direct supervisory-subordinate relationship.
- B. The library will do a criminal history background check on prospective employees.
- C. It is the policy of the Jackson County Public Library not to discriminate in its service programs or employment practices on the basis of attributes or any other discrimination prohibited by law. In

accordance with the Diversity Plan, it is imperative that the library recruits, hires and retains highly capable and productive employees. To do this, the library needs to attract qualified individuals, ensure that employees are acknowledged for their contributions, and encourage employees to achieve their full potential.

V. Interview & Moving Expenses

- A. Interview expenses are reimbursed for candidates interviewing for the Director position as approved by the Board.
- B. Moving expenses for all new professional employees may be considered for reimbursement, but are subject to Board approval prior to the move. Professional employees include the Director and other department supervisors whose position requires an MLS degree.

VI. Introductory Period

All new staff members are in an introductory period for six months. This period is designed to determine whether the employee is suited to the job and capable of satisfactorily performing the work assigned. After the introductory period, supervisors will evaluate their employees. A satisfactory evaluation will qualify the employee as a regular staff member. An unsatisfactory evaluation at any time during the introductory period may result in the employee's immediate termination. The evaluation reports will be maintained in the personnel file.

VII. Separations of Service

A. Resignations

An employee who intends to resign submits a written resignation to Human Resources. The Library Director shall submit notice of his/her resignation to the President of the Board of Trustees. Under ordinary circumstances, four weeks' notice is requested for department heads and two weeks' notice for all other positions. Unused vacation, personal and sick time may not be used towards this notice. Failure to give this notice results in ineligibility for rehire and loss of any accumulated vacation or personal leave.

B. Abandonment

Any employee absent from duty without proper notification and authorization thereof for three consecutive days shall be considered to have resigned the position.

C. Retirement

There is no mandatory retirement age. Employees eligible for the Indiana Public Employment Retirement System and/or participating in Hoosier S.T.A.R.T. or supplemental insurance should contact Human Resources for information on retirement benefits. Under ordinary circumstances, four weeks' notice is requested for department heads and two weeks' notice for all other positions. Unused vacation, personal and sick time may not be used towards this notice. This notice is requested so the library may seek a replacement and should not be interpreted as relating to the notice you may need to give to the Public Employee Retirement Fund or Hoosier S.T.A.R.T. so that your retirement benefits become effective immediately upon your retirement.

D. Disciplinary Action

1. Purpose

The purpose of this section is to state the library's position on administering equitable and consistent discipline for unsatisfactory conduct in the workplace. The best disciplinary measure is one that does not have to be enforced and comes from good leadership and fair supervision at all employment levels. The library's best interest lies in ensuring fair treatment of all employees and in making certain that disciplinary actions are prompt, uniform, and impartial. The major purpose of any such action is to correct the problem, prevent recurrence, and prepare the employee for satisfactory service in the future. The library's disciplinary program is discretionary. The library disciplinary procedure is not progressive so that any one or more of the following actions may be taken. No verbal or written warning need be given prior to termination.

2. Procedure

Disciplinary actions will be explained to and discussed with the employee at each step in the procedure stated

below. All disciplinary action documents will be placed in the employee's personnel file.

a. Verbal Warning:

For most infractions, the employee will be warned verbally by his/her supervisor. A notation will be placed in the employee's personnel file. If the situation is not corrected in the time frame specified by the supervisor, the supervisor will proceed to a written warning.

b. Written Warning:

The employee will be warned verbally and in writing, and the written warning will be placed in the employee's personnel file. This written record notifies the employee that his/her performance or conduct is unacceptable and documents the specific acts or omissions upon which the discipline is based as well as the expected corrective action and time frame.

c. Termination:

If the situation is not corrected in the time frame specified by the supervisor or if it is a third occurrence of the same offense, the supervisor will report the situation to the Director for termination. Termination results in ineligibility for rehire and loss of any accumulated vacation or personal leave.

d. Immediate dismissal may occur. Some instances for dismissal may include but are not limited to:

- Physical or verbal abuse and/or sexual harassment of a library customer or employee
- Theft of or deliberate damage to library property or the property of a library customer or employee

- Excessive absences, tardiness, or early leaves
- Failure to achieve certification or certification renewal

In the event of a reduction in funds received for the operation of the library or the discontinuance of a service it may become necessary to terminate the service of staff members. Notice shall be given as far in advance as possible to those employees affected by such action.

F. Exit Procedures

1. After giving written resignation notice, the employee may obtain an exit survey. Human Resources will conduct an exit interview with the employee and submit exit interview notes to the Administrator on or before the employee's final workday.

 - a. All library keys and nametags must be returned to Human Resources on or before the employee's final workday.

The Director, along with Human Resources will have access to these files for business purposes. X. Job Descriptions and Evaluation

A. Job Descriptions

Employees will receive a copy of their job descriptions when hired. Job descriptions outline the major duties and responsibilities of each position in the library and are intended to guide employees in the performance of their work. These descriptions are revised and updated as necessary to coincide with changes and improvements in library operations.

B. Evaluation

Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. A formal written performance evaluation will be conducted at the end of an employee's six-month introductory period. Additional formal performance evaluations are conducted approximately once annually to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals. The Board of Trustees is responsible for evaluating the Director every twelve months. Evaluation records become a regular part of the employee's personnel file. Employees will receive a copy of their own evaluation upon request.

XI. Working Conditions

A. Workweek

1. The workweek is defined as beginning on Sunday and ending on Saturday.
2. All non-exempt full-time employees working on Saturday or Sunday take equivalent time off during the workweek to keep the total scheduled hours at 40 or under. No employee will be allowed to work more than 40 hours in any week unless authorized by the Director or Administrator. Compensation for authorized overtime in excess of 40 hours per week will be at the rate of one and one-half times the basic hourly rate. In most cases, this will be taken as compensatory time. Compensatory time must be taken within two pay periods following the pay period in which the overtime occurred. Compensatory time will be scheduled by mutual agreement between the employee and the supervisor. In extreme situations, the Director may authorize overtime pay.
3. Exempt employees are excluded from overtime and compensatory time. Exempt employees are paid a salary and are expected to work beyond their normal work hours whenever necessary to accomplish the work of the library.

B. Schedules

Weekly schedules for non-exempt employees are posted to the online schedule by Human Resources. Requests for time off must be submitted in writing to supervisors. If approved by the supervisor, the time-off request is sent to Human Resources for final approval. The supervisor is responsible for adjusting the schedule or finding an acceptable substitute to cover the schedule. Any schedule changes must be reported to Human Resources.

C. Breaks

An employee is allowed a paid 15-minute break during each consecutive four-hour shift worked, if working conditions allow. Break periods may not be used to reduce the workday. Employees must notify others working in the department of their break time. Employees leaving library property must notify other library staff members that they are leaving the property while on break.

D. Meal Breaks

Any employee working six hours must take a 30- or 60-minute meal break. This break is not paid time and no notification of leaving the building is necessary. Meal breaks may not be used to reduce the workday or be taken consecutively with other breaks. Employees must still work the number of hours they are scheduled each day. Changes in meal breaks must be approved by the supervisor, and any schedule change must be posted on the online schedule and reported to Human Resources by the supervisor.

E. Time Sheets

Each employee is responsible for clocking in and out using time clock software and keeping an accurate record of hours. Employees must turn in their time sheets to their supervisors by the time and date requested by the supervisor. Supervisors must turn in their approved department's time sheets by 10:00 am on the Monday following the pay period. Employees who do not submit time sheets on time cannot be guaranteed correct payment on the scheduled pay date.

F. Payroll and Deductions

1. All library employees are paid by direct deposit into an account at the financial institution of their choice. Depending on the financial institution, funds may be available for withdrawal at the beginning of the pay date business day. Deposits are made every other Thursday unless the pay date falls on a holiday.
2. Automatic deductions from payroll include federal income tax, state income tax, FICA, county income tax, and insurance when applicable.
3. Voluntary automatic deductions can be made for Hoosier S.T.A.R.T., additional INPRS, flexible spending account, supplemental insurance and a Jackson County 501c3 non-profit organization.
4. In the event that there is an error in the amount of pay, the employee should promptly notify Human Resources, so that corrections can be made as soon as possible.

G. Staff Meetings

All employees are required to attend staff meetings as scheduled if possible. Because of the various schedules of employees, it is not always possible to schedule staff meetings on a day all employees are scheduled to work. Part-time employees not scheduled to work will be paid for staff meeting attendance at the regular hourly rate with no mileage reimbursement.

H. Name Tags

All employees are supplied nametags and are required to wear them while on duty.

I. Drug Free Workplace

1. This policy is developed in accordance with requirements for grantees receiving federal funds directly or indirectly through the state, to provide a drug free workplace.
2. It is the intent of the library to maintain a drug free workplace. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance and/or illegal drug is prohibited on all library property.
3. Every employee is required to abide by the prohibition above and to notify the Director if he or she is convicted of any criminal drug statute violation occurring on library property no later than five days after such conviction. The library may terminate employment of any employee convicted of any violation of federal or state statutes dealing with the manufacture, dispensing, possession, distribution or use of any controlled substance and/or illegal drug in the workplace.
4. Information about the dangers of drug abuse in the workplace will be made available to staff.
5. Excessive alcohol or drug use off the work site, which affects an employee's attendance or behavior on the work site and drug or alcohol use during work hours shall also be grounds for dismissal at the discretion of the Director. When an employee's health or job performance declines, and this decline is attributed to or is related to alcohol or drug dependency, the employee may petition the Director for the opportunity to enter counseling or rehabilitation. If an employee refuses to take action to correct a problem, which is affecting job performance and workplace relationships, the employee may be subject to review for dismissal or other appropriate personnel action.
6. The library reserves the right to conduct mandatory drug testing. A positive drug test results in immediate dismissal.

J. Smoke/Tobacco Free Workplace

Smoking, use of electronic smoking devices, and other tobacco use are prohibited in the interiors of all library buildings and vehicles and on library property.

K. Bullying, Sexual and Other Unlawful Harassment

1. The library is committed to providing a work environment that is free of discrimination and unlawful harassment. Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, or any other legally protected characteristic will not be tolerated.
2. Any employee who wants to report an incident of harassment should promptly report the matter to his or her supervisor. If the supervisor is unavailable or the employee believes it would be inappropriate to contact that person, the employee should immediately contact Human Resources. Employees can raise concerns and make reports without fear of reprisal.
3. Any supervisor who becomes aware of possible harassment should promptly advise Human Resources who will handle the matter in a timely and confidential manner.

L. Punctuality

It is important that staff members be at their workstation and clocked in at their scheduled time. This also includes breaks and meal times. If an employee expects to be late for work, the employee should notify their immediate supervisor at work and the general delivery voice mailbox as soon as possible. Seymour staff are required to use their fob on the exterior doors as they enter and exit the building.

M. Personal Appearance

Library employees are expected to be well groomed and neatly dressed. Each staff member should dress appropriately when working with the public to convey a positive and professional image of both oneself and of the library, while remaining approachable to library customers. No bare midriffs, spaghetti straps, skirts or shorts shorter than just above knee length, issue-oriented and controversial clothing or accessories, or flip-flops are allowed. Clothing or accessories which are political or have abusive or demeaning language or pictures that are in poor taste including lewd, suggestive or offensive words or innuendo are prohibited. This includes items that have words or phrases that are suggestive because of the use of a double entendre. Human Resources reserves the right to deem any article of clothing or accessory to be inappropriate. On occasion, the Director may authorize exceptions to the dress code.

N. Telephone Calls, Voicemail, & Text Messaging

Lengthy and/or frequent personal telephone calls and text messaging are not allowed while working. Employees' voice mailboxes may be monitored.

O. Computer Use

Lengthy and/or frequent personal use of, or social networking with, library computers is not allowed while on duty. Employees' library e-mail accounts and computer use may be monitored.

P. Accident to Staff Member on Library Business (Workers' Compensation)

If injured in the performance of duty during approved scheduled hours, library employees are covered by Workers' Compensation benefits. In the event of injury, the employee shall report the injury *immediately* to his/her supervisor. The supervisor with the help of the employee will complete an accident/incident report and inform Human Resources *immediately*.

Q. Mileage Reimbursement

Employees using personal vehicles to travel from one location to another for work-related purposes within a work day will be reimbursed the federal mileage rate after submitting a mileage claim with miles traveled and odometer start and finish numbers.

R. Other Employment

All staff members engaged in work other than work for the library are expected to continue to satisfactorily perform their jobs with the library. A staff member must report any outside employment to Human Resources.

Outside employment must not conflict with the employee's scheduled hours at the library or compete with the library's interest. Failure to report any outside employment to Human Resources could result in termination.

XII. Problem Resolution

The library is committed to providing the best possible working conditions for its employees. Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion, or question receives a timely response from library supervisors and management. The library strives to ensure fair and honest treatment of all employees. Employees are expected to treat each other with mutual respect and are encouraged to offer positive and constructive criticism. If employees disagree with established rules of conduct, policies, or practices, they can express their concern through the problem resolution procedure. No employee will be penalized formally or informally for voicing a complaint with the library in a reasonable

business-like manner or for using the problem resolution procedure. If a situation occurs when employees believe that a condition of employment or a decision affecting them is unjust or inequitable, they are encouraged to make use of the following steps. The employee may discontinue the procedure at any step.

1. Employee presents problem to immediate supervisor. The Library Director's supervisor is the Board of Trustees. If supervisor is unavailable or employee believes it would be inappropriate to contact that person, the employee may present problem to Human Resources.
2. Supervisor or Human Resources must respond to the problem in a timely manner. Supervisor or Human Resources documents discussion.
3. If the problem is unresolved through the supervisor, the employee presents problem in writing to Human Resources within ten library working days following meeting with supervisor.
4. Human Resources will make a decision as soon as possible and will forward a response in writing to the employee and supervisor. Human Resources has full authority to make any adjustment deemed appropriate to resolve the problem.

XIII. Paid Leave

A. Sick Leave

1. No employee shall receive paid sick leave until their six-month introductory period is over. Then, they shall receive one (1) sick day for each month remaining in the calendar year. Sick leave shall be granted at the rate of thirteen (13) working days per year, to be tallied to the employees account at the beginning of each year. Sick leave shall be recorded and used in hours, with the maximum possible to accrue equal to one hundred twenty (120) pro-rated working days. Sick leave must be used in the actual amount of hours missed from work.
2. Sick leave will be granted for an employee's own or family's medical condition or for medical, dental or counseling appointments.
3. Employees using three (3) consecutive sick days, a sick day immediately preceding or immediately following a holiday, or a sick day when scheduled to attend a meeting/training or scheduled to cover a branch must present a written medical statement to qualify for paid sick leave.
4. Upon separation from employment, the sick leave balance is canceled. Payment for unused sick leave is not available under any circumstances.
