MEETING SPACES

The Jackson County Public Library welcomes the use of its meeting spaces by responsible organizations and groups. The mission of the library is to help the community connect, learn and grow. The spaces are provided to help accomplish this mission.

WHO MAY USE THE SPACES

The meeting spaces are available for use by civic, community, cultural, educational, political, or religious organizations for non-commercial and non-profit purposes. The meeting spaces are available to groups in the community regardless of the beliefs and affiliations of their individual members.

1. All meetings will be open to the public and may be monitored by library staff to ensure compliance with this policy.
2. Use of the meeting spaces does not constitute library endorsement of the viewpoints expressed by participants in activities.
3. Publicity for a meeting by a non-library group in a library meeting space must not be worded in a manner which would imply library sponsorship of the group's activities.
4. The name, address, and/or telephone number of the library must not be used as the official address or headquarters of an organization.
5. The meeting spaces are not available for personal or family parties, purely social functions, or supervised visits.
6. The individual reserving and assuming responsibility for the space must be a resident of the Jackson County Public Library district and have a valid library card. Exceptions to this requirement will be made for representatives of U.S. or Indiana agencies and political subdivisions and for members of or candidates for U.S. or Indiana executive, legislative, or judicial offices.
7. Minors using a meeting space must be supervised by adults. The adult supervisor must reserve the space and will be responsible for any damage.
8. Adults attending adult meetings or activities must abide by the library's property and building use policy regarding unattended children:
 - i) Children ages birth through 5 must be in the immediate vicinity of and in visual contact with a parent/guardian/caregiver age 14 or older. Children ages 6 through 9 must have a parent/guardian/caregiver age 14 or older in the building at all times.
 - ii) Children ages 10 through 17 may be unsupervised and must follow the property and building use policy.
 - iii) Any unsupervised child under the age of 10 remaining on library property more than 15 minutes after closing is considered an abandoned child, and police will be called by staff remaining at the library after closing.
 - iv) The library staff reserves the right to report suspected truancy to the appropriate authorities during school hours.
